Money – “The Euro”

Die Euro-Banknoten

Jeder der sieben Euro-Scheine steht für eine Epoche der europäischen Kulturgeschichte. Der Fünfiger zeigt Elemente aus der Renaissance, der Zeit des Epochenwandels vom Mittelalter zur Neuzeit (etwa 1420 bis 1650). Es war die Zeit von Leonardo da Vinci, Michelangelo und Albrecht Dürer. Die Renaissance begann in Italien und strahlte nach 1500 auf alle europäischen Länder aus.
